

Supplemental Fig. S1. Coronavirus disease 2019 (COVID-19) pandemic timeline in Daegu. Voluntarily social distancing (comparable to revised social distancing level 3) was applied until March 20; enhanced social distancing (equivalent to revised social distancing level 3) was initiated after March 21; loosened social distancing (equivalent to revised social distancing level 2) has been applied since April 20. The revised social distancing measure classifying level 1 to 3 (highest) was implemented after May 6.
